

## **FIRE EXTINGUISHERS**

### **WHY DO WE NEED FIRE EXTINGUISHERS**

In the case of a fire you need to ensure that you have the appropriate fire extinguishers in place.

- wood, paper and cloth – water extinguisher;
- flammable liquids – dry powder or foam extinguisher;
- electrical – carbon dioxide (CO2) extinguisher.

### **INFORMATION**

Fire Extinguisher regulations form part of 'The Regulatory Reform (Fire Safety) Order 2005', also known as the 'RRO' and require an annual inspection to British Standard 5306 Part 3

### **WHEN SHOULD WE SEND THE CERTIFICATE**

On Application and Annual Renewal
